Privacy policy

This privacy policy concerns the website www.neuroidea.pl and explains how the data of people (users) using this website are collected and protected. By using our website, you also accept the terms of this privacy policy and agree to the processing of your personal data in accordance with the law and the conditions set out below.

When visiting our website, the so-called cookies, i.e. small text files sent by our server or Google server. Among the data collected by the website may be information in server logs - our servers automatically save data such as the page requested by the user, the date and time of the request, device data (e.g. hardware model), browser type, browser language, type of operating system, IP address.

Cookies are designed to:

- make it easier for users to use the website - they recognize the user's device and properly display the website, adapted to their individual needs, e.g. the preferred font size set by the user.
- create anonymous website statistics - thanks to this we can better understand the expectations of our users and develop the website to make it even more friendly. In addition to cookies sent from our server through our websites, Google cookies are sent to match ads displayed in Google modules to your interests. Usually, browsers allow cookies to be stored on the user's computer or smartphone by default. However, internet users can independently manage cookies, including blocking these files. At any time, you can turn off the option of saving all or some cookies by changing the settings in your web browser.

If you decide to reject all cookies, the use of certain content on our site may be less convenient, but it does not make it impossible to view it.

The personal data administrator is Neuroidea Ltd. based in Warsaw, Mickiewicza 12/7.
